Dear Mr. Pautot:

Thank you for your donation of a car to use at the Glendale Fire Department's Annual Fire Prevention Parade and Safety Fair. This year's parade and fair, which was held on October 8th was a huge success. Part of what made our event so successful was the demonstrations that we did for the people in attendance. Our fire crews from fire station 157 did a car extrication demonstration using the car you generously donated. I just can't thank you enough!

Again we appreciate your donation which was a huge contribution to our event and to educating the community on fire and life safety issues. I look forward to the opportunity to work with you again in the future.

Sincerely,

Lisa Kutis
